			<p>1 Today we have corn on the menu. Did you know that corn is grown on every continent in the world except Antarctica?</p>	<p>2 Random cow fact: Cows can go up stairs but they can't walk down.</p>
<p>5 Did you know that June is National Dairy Month? Enjoy a carton of milk with your lunch today!</p>	<p>6 This summer listen to the crickets chirp. If you count a cricket's chirps for 15 seconds and add 37, you can figure out the outdoor temperature.</p>
