CAREER (and college search) WEBSITES

<http://www.bls.gov> Explore careers that interest you (Federal BLS)

<http://www.careerkey.org> Career information and testing from the University of North Carolina - lots of great places to explore.

<http://www.acinet.org/acinet/default.asp> EXCELLENT source for career info

<http://www.careernet.org/index.htm> Wisconsin site for career exploration

<http://www.acinet.org/acinet/default.asp> America's Career Info Net provides many helpful Career Information and Career Tools (Note: Geared mostly toward older students)

<http://jobstar.org/tools/career/spec-car.cfm> JobStar provides many helpful links to career and salary information

<http://www.petersons.com/> Peterson's college portal provides an excellent college search engine and good links to financial aid information (Other links on the site are not so helpful, because they refer to fee services and products). Check out the links for COLLEGE SEARCH and FINANCIAL AID at center, top of home page.

http://www.wihealthcareers.org/Career_occ_toc.cfm Excellent Website on Health Careers & Educational Institutions in Wisconsin!
