Come and find out what Middle School is really like! Find out what your day will look like, what classes you will take, and how to make the most of your middle school experience.

This presentation will offer an overview for parents and for students. Have the chance to meet some of your teachers, school administrators and hear from current students about their transition from elementary to middle school. After the presentation you will have the chance to go on a tour of the building and ask further questions.
