

School Board Report and Update
Eagle Elementary School
Mr. Matt Stich, Principal
Tuesday, October 8th at 7:00 PM

News and Noteworthy

- The first month of school was a big success. It was great to see all the smiling faces of our Eagle Elementary students and families.

Curriculum/Instruction/Assessment

- September was a busy month for establishing routines and procedures, as well as assessing the current levels of all students. Formative Assessment System for Teachers (FAST) makes it easier for teachers to collect and utilize data in an effective way. EES teachers have spent time analyzing the results and will now focus on using the assessment data to guide our instruction moving forward.

Professional Development

- On October 24th, Eagle Elementary Teachers will receive professional development related to using the Math Expression curriculum.
- On September 23rd, several PEASD staff members received Non-Violent Crisis Intervention training.

Thanks and Appreciation - Acknowledgments

- I would like to thank our special education support staff, who have been instrumental in helping us complete a successful first month of the school year.

Thursday, October 24	NO SCHOOL FOR STUDENTS - Teacher Inservice
Friday, October 25	NO SCHOOL

School Board Report and Update
Palmyra Elementary School
Steve Greenquist
October 8, 2019 - 7:00pm

1. Curriculum/Instruction/Assessment

Grade Level Meetings - We have been meeting with grade level teams to go over FastBridge screening data. We have been testing our students using FastBridge in math and reading for the past two weeks. We have been meeting with grade level teams to discuss individual student interventions.

School Learning Objective - Now that we have analyzed all of the FastBridge data, we will identify areas for us to address so we can improve instruction and hopefully see an improvement in all academic areas for all students.

2. News and Noteworthy

Homecoming - We are all looking forward to Homecoming and all the fun and excitement that goes along with it. We have had spirit days all week and we are looking forward to the high school students coming down to visit the elementary students during their lunch hour and recess on Homecoming Friday. PES will also have students participating in the Homecoming parade. We all hope for a varsity football victory!

3. Thanks and Appreciation – Acknowledgments

I would like to express my sincere gratitude to all involved for making FastBridge testing go so smoothly. I would like to thank, Kathy Retzke, Amy Muth and Reading Specialist Shirley Wagland for administering and analyzing the FastBridge tests.

Oct. 24 - Teacher Inservice - No Students

Oct. 25 - No School

School Board Report and Update
School/Building – Palmyra-Eagle High/Middle School
Principal – Kari Timm
October 8, 2019

1. Curriculum/Instruction/Assessment

Teachers have spent their first two rounds of PLC time working on their PPG and SLOs for the school year. This year we have decided to focus on teaching strategies for professional growth goals. Teachers have done a self-assessment using Dr. Robert Marzano's [developmental scales](#). They will then pick a focus element personal and one for their content area to focus on during the school year. In addition, we will be doing a school-wide SLO on social-emotional learning tied to school climate and culture. We hope to utilize the data to provide students with positive and meaningful experiences during the school year.

The FastBridge universal screener in math and ELA was given to all 7th - 10th grade students. This data will be used to determine students who might be in need of extra support either in the classroom or during resource in an intervention placement.

2. News and Noteworthy

A senior information night was held on September 25, 2019, to provide information to seniors and their parents about senior year. A representative from UW-Whitewater and WCTC were in attendance to present on 2 year and 4 year school options. In addition information about important dates including graduation and senior honors, night were shared with families.

Diane Strehlow has been doing a gear job continuing the EL program this year. She is working to provide services for students district wide with the help of Nancy Aranda. She has also started planning for the ACCESS testing window which is quickly approaching.

3. Thanks and Appreciation – Acknowledgments

Thanks to everyone for the support all students and staff have received during what has been a very difficult couple weeks. We are saddened at the losses to our panther family but will continue to 'carry on' as Barb Stachowski asked us to do and do what is best for students at PEASD.

As we approach the end of fall sports, a big thank you to all the coaches and student-athletes who give up countless hours of time to represent our communities.

4. Upcoming Events and Activities

- 10/8 - Middle school career expo field trip
- 10/14 - 10/19 - Homecoming Week
- 10/24 - Inservice
- 10/25 - No School
- 11/1 - Last day of 1st quarter

5. Miscellaneous

School Board Report and Update
Director of Special Education and Pupil Services - Beth Jones
October 8, 2019

Curriculum/Instruction/Assessment

- RDA PCSA update: We are currently in Step 2 and are completing student record reviews and evaluating for compliance. Step 3 will start immediately after the completion of Step 2. This is where we will make any proper corrections to ensure compliance.
- Our transition program has partnered with [Seeds Of Hope](#) again this year to provide our most significant students and opportunity to engage in vocational and job learning opportunities while still in high school or participating in our 18-21 year old program.

Professional Development

- The SEL team is providing new staff with training covering concepts from last school year. The team is also working on the next steps in providing teachers and students SEL support for the year.

News and Noteworthy

- The fall annual PEASD EC Screening will take place on Friday, October 18th for children ages 3 to 4 ½ who may show signs of developmental delay(s). Advertisement for the screening is on the district webpage, social media, and local businesses.
