Lift Tickets & Rental \$20 (same price whether you rent or not)

We need at least 15 Ski/Board lift tickets reserved to get this rate.

1. **EVERYONE** (students & adults) must fill out the Field Trip Release of Liability Form, which is a form for both skiing/boarding and for rental, if you are renting.
2. If you would also like to go tubing, **add** another \$10 and fill out the attached Cascade Tubing waiver form.

Time:

9 am until your ride leaves. The lift ticket is good until closing at 10 pm.
Come find us in the Lower Chalet to get your **pre-paid** tickets.

Payment:

Turn in forms and cash or check (made out to PEASD Ski Club) **by Tuesday February 16th** to your school office in an envelope labeled Cascade Ski/Snowboard Trip.

Transportation:

Please contact us to let us know if you will be able to take extra people with you (and how many), or if you will need a ride. We will try to work together to get everyone there that would like to join us. Cascade is near Portage approximately 1.5 hours from Palmyra, located off of I-90/94 just north of the split with I-39.
