## Welcome Back to School

Dear Palmyra Elementary Families,

We are looking forward to a great year at Palmyra Elementary and we can't wait to see all your smiling faces! With a new year comes some changes that parents and students need to know about. First and foremost, entrance to the building has changed. Door number 1 will be open for staff and students entering the building to line up in the morning from 7:30-7:45 AM. After 7:45, any visitors will need to enter through door number 8, at the front of the building, and go through the security check. We have changed this procedure to keep all our students and staff safe throughout the day.

### DROPPING STUDENTS OFF

Students may arrive at school at 7:30 in the morning. Drop offs before this time cannot be allowed since there is no one available to insure the safety of the children.

**Also, if you are coming into the building in the morning or after school we ask that you park in our parking lot, not in our designated drop off areas. The designated drop off area is only to drop off and pick-up students not parking spots. A staff member is assigned to assist students before and after school to ensure student safety as well. Thank you for your understanding in this matter. Our number one goal is the safety of our students.**
