The complaint procedure is described in Board Policies 2260 and 5517. The policies are available in the School office and on the District’s web page.

Due to the sensitivity surrounding complaints of harassment, time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) calendar days of the complaint being received).

If at any time during the investigation process the investigator determines that the complaint is properly defined as Bullying, under Policy 5517.01 - Bullying and not Harassment under this Policy, because the conduct at issue is not based on a student’s Protected Characteristics, the investigator shall transfer the investigation to the appropriate building principal.

Under no circumstances will the District threaten or retaliate against anyone who raises or files a complaint.

The Palmyra-Eagle Area School District is committed to an educational environment that is free of harassment of any form. The school will not tolerate any form of harassment and will take all

necessary and appropriate action to eliminate it, including suspension or expulsion of students and disciplinary action against any other individual in the school district community. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our students.

Harassment means behavior toward a student or group of students based, in whole or in part on the traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws (hereinafter referred to as "Protected Characteristics which substantially interferes with the student's school or academic performance or creates an intimidating, hostile or offensive school environment. Examples of conduct that may constitute harassment include:

It is also the policy of the School that a sexual relationship between staff and students is not permissible in any form or under any circumstances, in or out of the school, in that it interferes with the educational process and may involve elements of coercion by reason of the relative status of a staff member to a student. An inappropriate boundary invasion by a District employee or other adult member of the School District Community into a student's personal space and personal life is sexual harassment.

If you wish to report harassment, please contact one of the Complaint Coordinators listed above.
