

Palmyra Eagle School District Information and Parental Consent for Referral

The Palmyra-Eagle School District school-based mental health therapy service through Family Service provides Palmyra-Eagle public school students the opportunity to receive outpatient professional counseling services within the school environment.

School based mental health therapy is a collaborative partnership between the Palmyra – Eagle School District and Family Service. The purpose of this collaborative partnership is to offer professional counseling outreach and treatment services for students. It is our belief that the combined commitment and expertise of our respective organizations, our knowledge and services to local students and schools, the credentialing of our programs, and the strong history of quality outcomes will allow improved access to quality professional counseling services for students and families within the public school district. This school-based program is designed to improve student wellness and ease of access to professional therapy services for students and families.
